1. Domestic Preference (ITB 33).....30

2. Evaluation Criteria (ITB 34.3 (d)).....30

3. Multiple Contracts (ITB 34.6)31

4. Postqualification Requirements (ITB 36.2)31

1. Domestic Preference (ITB 33)

If the Bidding Data Sheet so specifies, the RAC will grant a margin of preference to goods manufactured in Rwanda for the purpose of bid comparison, in accordance with the procedures outlined in subsequent paragraphs.

Bids will be classified in one of three groups, as follows:

- (a) **Group A:** Bids offering goods manufactured in Rwanda, for which (i) labor, raw materials, and components from within Rwanda account for more than thirty (30) percent of the EXW price; and (ii) the production facility in which they will be manufactured or assembled has been engaged in manufacturing or assembling such goods at least since the date of bid submission.
- (b) **Group B:** All other bids offering Goods manufactured in Rwanda.
- (c) **Group C:** Bids offering Goods manufactured outside Rwanda that have been already imported or that will be imported.

To facilitate this classification by RAC, the Bidder shall complete whichever version of the Price Schedule furnished in the Bidding Documents is appropriate provided, however, that the completion of an incorrect version of the Price Schedule by the Bidder shall not result in rejection of its bid, but merely in RAC's reclassification of the bid into its appropriate bid group.

RAC will first review the bids to confirm the appropriateness of, and to modify as necessary, the bid group classification to which bidders assigned their bids in preparing their Bid Forms and Price Schedules.

All evaluated bids in each group will then be compared to determine the lowest evaluated bid of each group. Such lowest evaluated bids shall be compared with each other and if as a result of this comparison a bid from Group A or Group B is the lowest, it shall be selected for the award.

If, as a result of the preceding comparison, the lowest evaluated bid is from Group C, the lowest evaluated bid from Group C bids will then be further compared with the lowest evaluated bid from Group A, after adding to the evaluated bid price of goods offered in the bid for Group C, for the purpose of further comparison only an amount equal to ten (10) percent of the CIP (named place of destination) bid price. The lowest-evaluated bid determined from this last comparison shall be selected for the award."
